DECLARES

1) that the animal is regularly registered in the canine registry as current legislation,

2) that the animal has been subjected to a treatment for ectoparasites valid for the period of stay,

3) that the animal is not subject to restrictive provisions regarding the protection of public safety,

4) to be aware of the provisions contained in the Seaside Ordinance of Emilia-Romagna Region currently in force, of the requirements established locally (regulations and ordinances) for the access of animals to the beach at establishments or authorized areas.

Finally, it authorizes the owner of the establishment to show this declaration to the supervisory authorities appointed by law, who request it.

Cattolica, _____
